# OPSODIS

\*OPSODIS is available only with AQUOS THE SCENES Audio (8A-C22CX1).

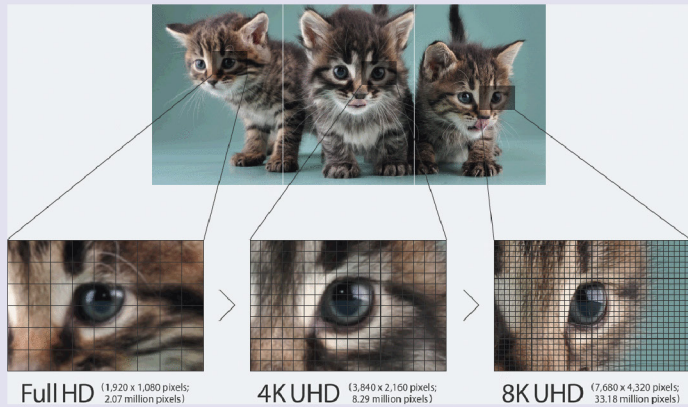

Turn your living room into a theater room.

Sound quality that gives you the feeling of being there.

## 8K Resolution & 8K AI Upconvert

Achieves an overwhelming sense of presence with AQUOS 8K.

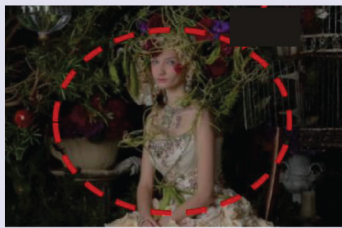

## HDR Enhanced +

Go beyond HDR. Pursuing more optimal brightness. Sharp's proprietary processing \*patent pending allows you to experience realistic and deep images. Contents brightness is diversified. But it does not always display comfortably to viewers. HDR Enhanced+ optimizes middle tones, where people can easily perceive contrast. Optimizing the amount of light by detecting darker and brighter areas, and driving its backlight by areas.

W/O HDR Enhanced+

W HDR Enhanced+

HDR signals contains deeper dark level. Black level is difficult to display.

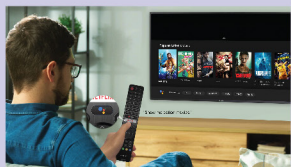

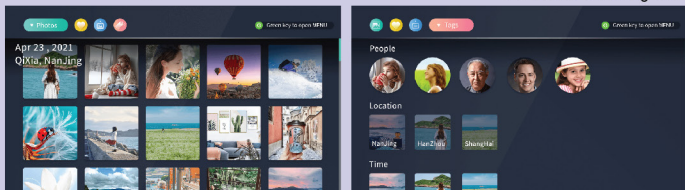

Analyzing sources, low & middle level tones are brought up.

## SHARP COCORO ALBUM

Managing your family memories intelligently with AI. AI recognition and automatic classified the family faces, places, and times to create memory folders. You can share more fun with your family memories in the living room with a big screen.

\*This feature is coming soon

## Ok Google

Do more on your TV with your voice. Press the Google Assistance button on your remote to quickly search 500,00+ movies and shows, get recommendations to match your mood, control smart home devices, and more.

## Streaming Video Optimizer

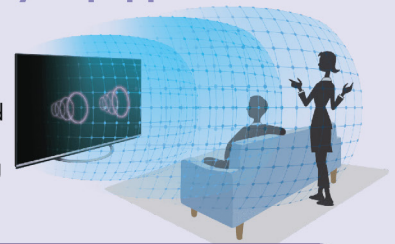

Enjoy clear and smooth viewing with any VOD service.

Comfortable viewing experience for streaming video watchers. Noise reduction and tone correction are performed to VODs such as Netflix/YouTube/Amazon Prime. You can enjoy clear and comfortable images with less noise.

## Powerful sound quality. Equipped with Eilex Prism™

Sharp 8K AQUOS able to capture and correct changes in the acoustic power of the entire space. Obtained sound closer to original quality, natural spreading with depth feeling and high clarity sound.
