## Enjoy a beautiful & smooth viewing

**IGZO**
Pro IGZO OLED

6.6" Pro IGZO OLED

Rich Color Technology Mobile × **10** billion colour

**BRIGHTNESS PEAK**
**2,000** NIT
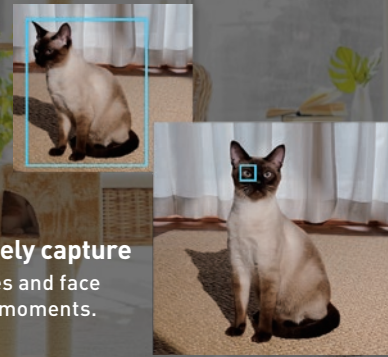

**CONTRAST RATIO**
**20** MIL : 1

## Master wonderful moments
## Starry sky, fireworks, portraits

## AI Engine Super Evolution

**Pet detection, accurately capture**
Identify the pet's body, eyes and face to easily capture dynamic moments.

## Qi Wireless Charging & Sharing Battery

You can share power with other devices that support Qi wireless charging.
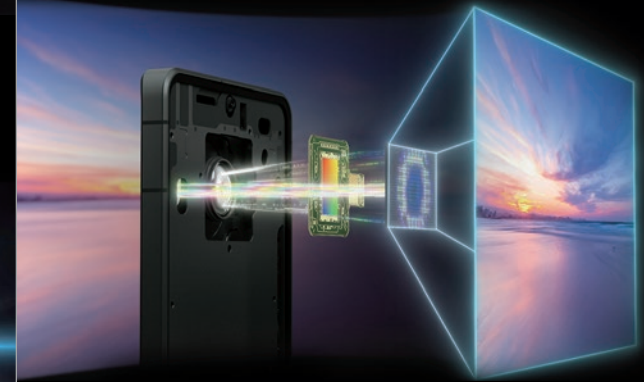

**5,000** mAh × Long Life Battery

## Heat Dissipation High Speed Operation

Adopts a new concept heat dissipation design thermo management system by releasing internal heat from the camera ring and sides.

**Dolby Vision·Atmos**

Equipped with Dolby's video and 3D sound technology, which is also used in movie theaters.

## Smooth Video Playback

Adopts Pro IGZO OLED with a maximum drive speed of 240Hz, so you can enjoy videos without any afterimages.

### Pro IGZO OLED

Up to 4x

30fps > 120fps

## Supervised by Professional Camera

Professional lens with an overwhelming amount of light gathering and a spectral sensor that expresses faithful colours.

## Professional 7 Lens Design

Accurately capture images, effectively suppress glare and reduce image distortion.
